

VALUATION GUIDE FOR GOODWILL DONORS

The U.S. Internal Revenue Service (IRS) requires donors to value their items to obtain a charitable donations itemized tax deduction. The items donated must be in good used condition or better, and remember, the price ranges are only estimated values. Be sure to get a receipt when you donate your goods. Goodwill won't put a dollar value on the receipt, but your receipt will document that you made a donation. To help guide you in valuing your donated items, Goodwill Industries International has compiled a list, providing price ranges for items commonly sold in Goodwill® Stores.
